

Key Business Insights for customers behavior analysis

Subscription Performance

- 73% of customers are not subscribed, indicating a significant opportunity to increase recurring revenue.
- Subscription adoption is notably lower among female customers compared to male customers.

Category Performance

- Clothing is the top-performing category, generating \$104K in revenue and 1,737 sales.
- Outerwear is the weakest-performing category, contributing only \$19K in revenue and 324 sales.

Customer Segments

- Young Adults are the most valuable customer segment, generating \$62K in revenue and 1,028 purchases.
- Young Adult customers drive the highest revenue across both male and female segments.

Gender Insights

- Clothing is the highest revenue-generating category for both male (\$71K) and female (\$34K) customers.
- Male customers contribute a larger share of revenue and sales compared to female customers.

Recommendations

1. Increase subscription adoption through loyalty rewards and exclusive subscriber benefits.
2. Focus marketing efforts on Young Adult customers to maximize revenue growth.
3. Improve Outerwear performance through targeted promotions and bundle offers.
4. Leverage Clothing's strong performance by implementing cross-selling strategies with Accessories and Footwear.
